Winners Announced for Fall 2023 Digital Health Awards®

LIBERTYVILLE, IL – The Health Information Resource CenterSM announced the winners in the Fall 2023 **Digital Health Awards®** which honors the world's best digital health resources. The competition featured 65 categories in the following entry classifications: Web-based Digital Health; Mobile Digital Health Resources; Personal Digital Health Devices / Wearables; Digital Health Media / Publications; Digital Health – Social Media; and Connected Digital Health. A panel of 48 experts in digital health media served as judges and selected gold, silver, bronze, and merit winners from more than 400 entries.

2023 Gold Award winners included *Drugwatch.com* (Article); *Cancer Support Community* (Blog Post); *Sharecare* (Mobile Application); *American Kidney Fund* (Microsite); *American Heart Association* (Website); *Loyola Medicine* (Video); *Excalibur Medical Education* (Medical Education); *The Ethel from AARP* (Editorial Illustration); and *POZ* (Instagram). A complete list of winners and entry categories can be found at digitalhealthawards.com.

About the New Digital Health Association

The Digital Health Association, now home to the Digital Health Awards, is a new membership organization for professionals and organizations that work in all digital health fields. The association is part of the Health Information Resource CenterSM, a 31-year-old national clearinghouse for professionals who work in consumer health markets. The HIRC also organizes the 30-year-old National Health Information Awards (healthawards.com), the largest consumer health awards program of its kind. For more information about the new Digital Health Association, please contact Patricia Henze, executive director: phenze@healthawards.com • 800-828-8225.
