# Winners Announced for Spring 2024 Digital Health Awards®

LIBERTYVILLE, IL – The Health Information Resource Center<sup>SM</sup> announced the winners in the Spring 2024 **Digital Health Awards®** which honors the world's best digital health resources. The competition featured 65 categories in the following entry classifications: Web-based Digital Health; Mobile Digital Health Resources; Personal Digital Health Devices / Wearables; Digital Health Media / Publications; Digital Health – Social Media; and Connected Digital Health. A panel of 65 experts in digital health media served as judges and selected gold, silver, bronze, and merit winners from nearly 700 entries.

2024 Gold Award winners included *UMR* (Article); *WebMD Health Services* (Blog Post); *Welltory* (Mobile Application); *TriWest Healthcare Alliance* (Microsite); *Mayo Clinic* (Website); *Mytonomy* (Video); *Haymarket Medical Education* (Medical Education); *AARP.org* (Editorial Illustration); and *POZ* (Magazine). A complete list of winners and entry categories can be found at [digitalhealthawards.com](https://digitalhealthawards.com).

### About the New Digital Health Association

The Digital Health Association, now home to the Digital Health Awards, is a new membership organization for professionals and organizations that work in all digital health fields. The association is part of the Health Information Resource Center<sup>SM</sup>, a 32-year-old national clearinghouse for professionals who work in consumer health markets. The HIRC also organizes the 31-year-old National Health Information Awards ([healthawards.com](https://healthawards.com)), the largest consumer health awards program of its kind. For more information about the new Digital Health Association, please contact Patricia Henze, executive director: [phenze@healthawards.com](mailto:phenze@healthawards.com) • 800-828-8225.
